SINGLES – R. Kelly heads yet another single chart where movement in the top 5 is minimal to say the least. **Kelly Clarkson** has already scored her first ARIAnet top 10 single with her debut *Miss Independent* climbing nine places to #8. Next up is the new single from **P Diddy, Nelly and Murphy Lee** titled *Shake Ya Tailfeather* which has debuted at #9 while the groovy *Satisfaction* by **Benni Benassi** rounds out the top 10.

No.9 SHAKE YA TAILFEATHER – P. Diddy / Nelly / Murphy Lee. *Shake Ya Tailfeather* is the first single from the new *Bad Boys II* soundtrack which stars **Will Smith** and **Martin Lawrence**. Everybody should know who **Nelly** and **P. Diddy** are but a few may not know who **Murphy Lee** is. He is a member of rap posse **St Lunatics**, of which **Nelly** is also a member and will be releasing his own solo album in the near future.

No.25 I WANT YOU – Thalia featuring **Fat Joe**. Thalia is relatively unknown in Australia but to Latinos she is as big as **Kylie Minogue**. She became a singer at the age of nine and was the Latin "queen of soaps" in her 20's after starring in a string of high profile Mexican TV shows. This is her first English single and features US rap star **Fat Joe**.

No.35 HOW DID YOU KNOW (77 STRINGS) – **Kurtis Mantronik Presents Chamonix**. This former instrumental club hit has been reworked with a new vocal and a new title. **Kurtis Mantronik** helped to pioneer big beat and hip hop in the 1980's as one half of **Mantronix**. *How Did You Know* features the vocals of **Mim** and is currently at #3 on the ARIAnet Dance chart.

No.37 GOOD BOYS – **Blondie**. New Wave legends **Blondie** have released a new single from the forthcoming new album *The Curse Of Blondie*. This is the first top 40 hit for **Blondie** since 1982 when the track *Island Of Lost Souls* peaked at #14. *Good Boys* has been released earlier in Australia than the rest of the world due to the band's recent acclaimed tour.

No.76 DON'T WANT HER TO STAY – **Hot Action Cop**. **Hot Action Cop** spent eight weeks in the ARIAnet singles top 20 with their debut single *Fever For The Flava* (#13, May '03). *Don't Want Her To Stay* is the follow up single from their self titled album which is yet to hit the ARIAnet albums top 100. **Hot Action Cop** will be in Australia shortly for a few dates.

No.95 THE SPEED OF LIFE – **Duncan James**. **Duncan James** is a local singer/songwriter who has released the first single from his debut album *The Speed Of Life*. **Duncan James** has been compared to artists such as **John Mayer**, **Bob Dylan** and **David Gray** and is the current Austereo Australian First artist.

ALBUMS – Much like the singles chart, the albums chart has a certain amount of status quo (not the band) about it this week. **Delta Goodrem** continues her domination as she claims her 14th week at #1. **Christina Aguilera** has moved back into the top 10 and equals the highest position already attained by this album. **Jack Johnson** and **Ben Harper** have simultaneously jumped back into the top 10 and round the chart out for this week.

No.17 AMERICAN TUNE – **Eva Cassidy**. American born soprano **Eva Cassidy's** 10th posthumously released album *American Tunes* enters the charts at #17 this week. It's been almost 1 year since **Eva's** most successful ARIAnet album, the Gold accredited *Imagine*, entered the charts at # 10 and spent more than 20 weeks in the top 100. *American Tunes* features covers of such hits as *Yesterday* by the **Beatles**, the **Gamble & Huff** song, *Drowning In The Sea Of Love*, and a re-interpretation of **Cyndi Lauper's** 1986 #1 hit *True Colors*.

No.27 MICHAEL BUBLE – **Michael Bublé**. The next protégé from producer **David Foster** (**Celine Dion**, **Barbra Streisand**, **Whitney Houston**) is 25 year-old Canadian crooner **Michael Bublé** (pronounced Boo-blay). Making his debut on the ARIAnet albums chart this week his self titled album includes classic tracks such as *Come Fly With me*, *Moondance*, & *Kissing A Fool*.

No.40 AMERICAN PIE: THE WEDDING – **Soundtrack**. Featuring some of contemporary rock's biggest acts, such as the **Foo Fighters**, **Avril Lavigne**, and **Good Charlotte**, the soundtrack to the latest *American Pie* movie debuts on the ARIAnet albums chart at #40 this week. Back in September 1999, the *American Pie Soundtrack* reached a high point of #22, while the *American Pie II Soundtrack* reached a high point of #42 in December of 2001.

No.42 TENDERLAND – **Renee Geyer**. **Renee Geyer** is one of Australia's most respected and successful soul singers, with a recording career of nearly 30 years. *Tenderland* is **Renee's** highest album debut on the ARIAnet charts with her 1999 album *Sweet Life* coming in 2nd (#50). *Tenderland* features **Renee's** unique interpretation of a collection of classic soul, funk and RnB songs, including *Sexual Healing*, *Try A Little Tenderness*, & *Love Don't Live Here Anymore*.

No.53 THANK YOU FOR THE YEARS – **Shirley Bassey** Most famous for her Bond themes, the Tigress from Tiger Bay, **Shirley Bassey**, releases *Thank You For The Years*. Featuring a collection of 22 songs spanning her career including her classic Bond themes, her 70's period as well as her more recent appearance on the **Propellerheads'** track *History Repeating* (#55 Mar '98). *Thank You For The Years* represents **Shirley Bassey's** highest charting ARIAnet album.

No.57 ULTIMATE DOLLY PARTON – **Dolly Parton**. Queen of country **Dolly Parton** returns to the ARIAnet charts this week with *Ultimate Dolly Parton*, a collection of 20 of her greatest songs including classics such as **Jolene**, & the **Kenny Rogers** duet *Islands In The Stream*. **Dolly's** most successful ARIAnet albums were *The Great Pretender* #22 (14/05/84) & *Trio* (with **Linda Ronstadt & Emmylou Harris**) #12 (30/03/87).

No.64 MOHICANS – **Various**. *Mohicans* is a soundtrack for a movie that is yet to be made...It features tracks inspired by the music of Native Americans including influences from western classical tradition to North American pop music & Celtic sounds.

No.76 RED DIRT ROAD – **Brooks & Dunn**. With sales of more than 25 million albums world wide, and 18 Billboard #1's over a ten year career, **Ronnie Dunn** and **Kix Brooks** are possibly the greatest duo in country music today. *Red Dirt Road* represents only their second encounter on the ARIAnet albums chart, with their *Greatest His Collection* reaching #68 (13/10/97), and shipping Gold.

No.82 ANGEL – **Amanda Perez**. 22-year-old writer-producer-singer-rapper **Amanda Perez** releases her major label debut *Angel* this week entering the charts at #82. Featuring the titled track which is now a top 5 hit, *Angel* is **Amanda Perez's** first appearance on the ARIAnet album chart.

No.92 CHILDHOOD MEMORIES – **Isla Grant**. Singer/songwriter **Isla Grant** has become a major star in Ireland and the UK in the last couple of years with each of her three albums becoming Platinum. *Childhood Memories* is **Isla's** 5th album, but is the first to appear on the ARIAnet top 100. *Childhood Memories* features 14 tracks, including a duet with her husband called *Darlin' When I'm Hurtin*.

No.95 THE SOUL SESSIONS – **Jimmy Barnes** Australia's favourite working class man **Jimmy Barnes** screams his way into the charts this week with *The Soul Sessions*. *The Soul Sessions* combines the original classic *Soul Deep* (still the highest selling album in Mushroom Records' history), with the sequel album *Soul Deeper*, and the *Soul Deeper Live at The Basement* DVD. Both *Soul Deep* & *Soul Deeper* were both top 5 hits, with *Soul Deep* debuting at #1 and achieving multi-platinum status.
